

ADVISORY BOARD

ANDY WOODWARD

Andy Woodward is currently Director and CTO of OneBCG, a consulting and software development firm with offices in US, India, Australia and the UK. Andy currently sets the technology direction for the company and customers, designs enterprise software, and performs client technical analysis and due diligence. He has over 30-years of experience in consulting, designing and implementing enterprise software and solutions in a wide range of industries from banking to insurance, manufacturing, petroleum, and government.

Prior to joining OneBCG, Andy was C TO and software architect for a financial technology startup where he designed and implemented ACH, credit card, and KYC platforms responsible for processing over \$1 - billion in transactions.

Andy is passionate about education for disadvantaged youth and is a board member and treasurer of Southwest Institute of Montessori Studies. He is also on the board of the Phoenix Innovation Foundation.

Andy has a degree in industrial photography from Rochester Institute of Technology.
